TUESDAY, OCTOBER 29, 1957 - CHILLICOTHE, MISSOURI

30 BULLS

15 FEMALES

SHOW AT 9:00 A.M. - Judge, Art Windom, Mgr. Lomas Farms, Villisca, Ia.

SALE AT 12:30 P.M. - Auctioneer, C. D. Swaffar, Tulsa, Oklahoma

30 bulls are strong yearlings and two-year-olds ready for heavy service. Consigned by 15 of the state's leading breeders. Sired by some of the most outstanding bulls of the breed. Heading this great array is the 1957 Missouri State Fair and Nebraska State Fair grand champion bull, as well as three first prize winners at these two, same shows. Never in the history of these events have so many real outstanding herd bull prospects been offered.

15 females including six cows with calves at foot, five bred heifers, and four open heifers. A feature of this group includes a complete dispersion of the small select herd of Winston Ewing of Morrisville, Missouri. He is selling outstanding cows sired by Aldie Mainliner, Leveldale Caliph, Glassingall Research and Edellyn Valiant Mercury, all with calves at foot by the 1954 Missouri first prize winner, Win-Mor Dandy Magi, by the \$4,000 Erimus Dandy, and he also sells in this sale.

Once again we repeat - buyers have never had the opportunity to buy as many good bulls and females at any former state sale -- and remember everything is T.B. and Bangs tested, and fully guaranteed.

Missouri State Shorthorn Breeders Show and Sale

Missouri State Department of Agriculture Awards

The cash awards and ribbons for this show are made possible through an appropriation made by the Missouri Legislature to encourage the production, distribution, and use of better breeding animals in Missouri.

All animals that are shown will be classified by a competent judge according to their individual merit into four grades or classes as follows: Excellent, Superior, Good and Unclassified. Animals in one or more or all of the groups may be placed individually if the association conducting the sale so desires in order to determine a sale order or for other reasons. If animals are placed individually, champion and reserve champion awards in each sex may be designated if desired and if so designated will receive appropriate ribbons furnished by the Missouri State Department of Agriculture. Only animals that have received excellent awards and first place in the class in which exhibited are eligible to show for champion. First place animals not receiving the championship and the animal that stood second in class to the champion may be exhibited for the reserve championship award.

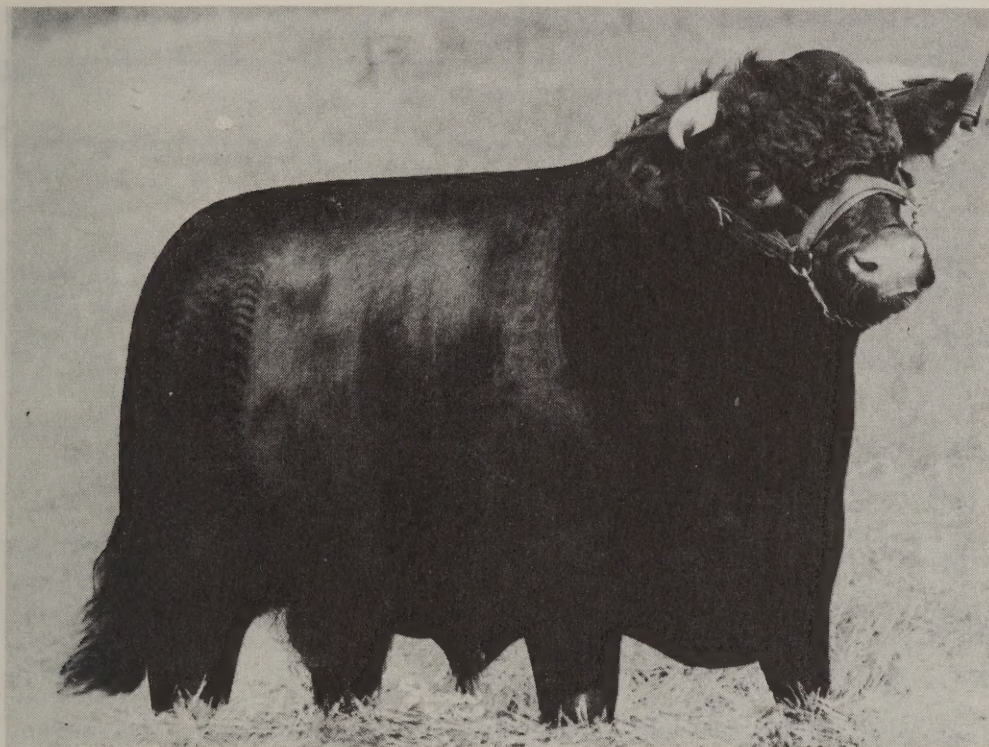

EXCELLENT animals shall be of outstanding quality, unusually good type and conformation, and insufficiently good flesh and adequately fitted to demonstrate fully their qualifications. **EXCELLENT** animals shall include only animals that in the opinion of the judge possess to a very marked degree all the desirable characteristics common to the breed they represent. All animals in this group will be awarded a dark green ribbon, suitably inscribed; and cash by the Department of Agriculture as follows: \$6.00 (six dollars) on cattle; \$4.00 (four dollars) on hogs or sheep regardless of breed or show.

SUPERIOR animals shall be of superior quality, type, and conformation and without any major defects. Animals in this group must be good enough to use in most registered herds, or in any commercial herd. They must plainly demonstrate their superior qualifications over the average registered animal. All animals in this group will be awarded a light green ribbon suitably inscribed; and cash by the Department of Agriculture as follows: \$4.50 (four dollars and fifty cents) on cattle; \$3.00 (three dollars) on hogs or sheep regardless of breed or show.

GOOD animals will be somewhat less desirable in type, conformation and quality than the above grades and may have one or more rather objectionable characteristics. Animals of this grade must have sufficient type and quality to improve commercial herds. They must be good representatives of their breed and worthy of the rating of **GOOD**. Good animals will be awarded a white ribbon, suitably inscribed; and cash by the Department of Agriculture as follows: \$3.00 (three dollars) on cattle; \$2.00 (two dollars) on hogs or sheep regardless of breed or show.

All animals of such type, conformation or quality as are not worthy of as much as a **GOOD** award shall remain **UNCLASSIFIED**. In most shows there are several animals of fair to poor conformation, type or quality, or that for other reasons should remain unclassified. There is no stigma attached to the breeder who exhibits such animals and no judge should hesitate to leave all animals unclassified that in his opinion would not deserve one of the above ratings and the accompanying ribbon and cash award. In most sales there is some demand for animals of fair to poor quality at minimum price but if such animals are given ratings of good or better, would-be buyers are often misled and consignors of animals deserving of a good or better award have suffered an injustice. All judges are urged to classify the animals in accordance with the above standards and all breed association officers and members should fully support the work of all the judges when these standards are followed.

SF LADDIE BASIS 4th -- Undoubtedly the best bull ever bred at Schreiber Farms. He is the senior yearling bull in our show herd and his half-brother is our senior bull calf out of the same cow. He also is the dam of SF Imperial Pride, champion bull at the State Sale last fall and sold for \$750 to Ollie Askins, Aurora, Missouri. Grand champion bull at the 1957 Missouri State Fair and grand champion bull of the 1957 Nebraska State Fair where he beat the 1957 Iowa State Fair grand champion. If you want a herd bull with a good head, thickness, depth, ruggedness and heavy bone, here is definitely the buy of the year. We want to support Shorthorns in Missouri and that is why we are selling these kind of bulls in the State Sale.

State Sale in 1954 where he was purchased from us by Julius Olson, Leonardville, Kans. I purchased him back in the Olson herd Dispersion Sale in Jan., 1956. The calves we're selling in this sale are proof that he is a real breeding bull. He is just five years old and can solve someone's herd bull problem.

SNUG-DEL ACHILLES -- A bull we believe you will like. Beautiful head, dark red, short, well-placed legs and a deep, well-balanced body. Sired by a grandson of the great Cruggleton Achilles and out of an imported granddaughter of Beaufort Bonspiel. His dam is a heavy milker and this is probably the easiest fleshing bull which we have ever handled.

INVEST IN TOMORROW . . . WITH MISSOURI SHORTHORNS

The future is bright for the beef cattlemen, and remember, Missouri Shorthorns give you more for your dollar than you can buy in beef cattle in any breed or in any other state. We are particularly proud of this year's offering. We don't know of any state sale this fall that is offering as many state fair grand champions and first prize winners as you will find here. The complete dispersion of a small but select herd owned by Winston Ewing gives female buyers an opportunity to buy cows with calves at foot that normally would not be for sale at any price. Some of these cows were purchased as heifers at up to \$1,200 apiece, from Mathers Brothers at Mason City, Ill.

Here is a sale that is also easy to reach. It is located 40 miles east of St. Joseph, with good connections also from Kansas City and other points east, west, north and south.

Miss Sharron Oliver, the 1957 Missouri Lassie Queen, will also be on hand sale day to present the awards to the winners.

All members and guests are invited to attend the Smorgasbord dinner at the Strand Hotel at 7:30 p.m. on the evening prior to the sale. Don't forget also that the Missouri Polled Shorthorn Breeders are holding their state sale at Sedalia on October 28. Rollo E. Singleton, 108 Park Hill, Columbia, Missouri, will send you a catalog.

We paid \$1,200 for this cow as a yearling when we bought her from L. E. Mathers. Mathers sold two full brothers, one to George Rhoda, Paradise, Kansas for \$2,000 and the other one went to Florida for \$3,000. Kickapoo Farms, Waukesha, Wisconsin and Ben Lake of Athens, Illinois own maternal sisters. Her second calf won his class at the state sale and another calf was second in class at a state sale and was reserve junior champion at the Ozark Empire Fair. **Standard Guarantee of the
American Shorthorn Breeders'
Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
